Dear Empire Disposal:

On behalf of City Council and Citizens of Fort Worth, I would like to thank Empire Disposal for their generous support of the Cowtown Brush up program. Over a decade later, approximately 2,020 homes have been painted. This could not have been accomplished without the public private partnership between your business and the City of Fort Worth's Cowtown Neighborhood Preservation Board.

Your contribution exemplifies the very best of our community—it is precisely this kind of partnership that defines the Fort Worth way.

Sincerely,

Dear Empire Disposal,

On behalf of the City Council and Citizens of Fort Worth, I would like to thank you for your generous support and providing the dumpsters to the Cowtown Brush Up program. We were able to repair and paint 146 homes. This could not have been accomplished without the public private partnership between Empire Disposal and the City of Fort Worth's Cowtown Neighborhood Preservation Board.

Your contribution exemplifies the very best of our community - it is precisely this kind of business/corporate partnership that defines the "Fort Worth Way."

Sincerely,

Mike Moncrief
