Dear Sandra,

With a tremendously grateful heart I want to say thank you for your kindness in playing a pivotal role in Sharefest 2009. We saw over 2,000 people from the community come see doctors and dentists, get haircuts, connect with community agencies that will work with the Como residents throughout the year, get a box of groceries, and much more. Having a dumpster on site was a blessing beyond belief to our event. Rather than having to make dozens of trips throughout the day to remove trash, we were able to deposit everything into a central location that was easy to use and saved us a tremendous amount of time. By the end of the day the dumpster was full, and our leadership team nearly shed tears of joy when your truck drove off with all the garbage. This was a great blessing.

Please tell Wayne that we really appreciate the time and energy that they put into making this event possible.

On behalf of Christ Chapel and the leadership from the Como community, thank you again for your help in making this event great.

Sincerely,

  
Ted Kitchens  
Senior Pastor
